FLOWER BREATH

Imagine there is a beautiful flower in front of you. Look at all of the vibrant colors. Imagine how sweet the flower smells. Take a deep sniff of the flower and breathe in the air out of your mouth.

BALLOON BREATH

Take a deep breath in and exhale through your mouth as if you are blowing up a balloon. Start to spread your hands out as if you are holding up the balloon. Hold your hand position as you inhale again and then spread your hands further as you exhale. Raise your hands to the sky as you let the balloon go.

CUPCAKE BREATH

It's your birthday! What type of icing and sprinkles would you like on your cupcake? Before you can take a bite, you will need to gently blow out the candle. Think of a positive wish. Breathe in through your nose and slowly breathe out. Blow out the candle and make your wish.

RAINBOW BREATH

Imagine a beautiful vibrant rainbow. Breathe in gently through your nose and out through your mouth imagining the color red. Breathe in again through your nose and out through your mouth imagining the color orange. Repeat this process for every color of the rainbow.

STAR BREATH

Take a peaceful breath in through your nose as you trace your finger along one side of the star. Hold your breath briefly at a point and release as you guide your finger along the opposite side. Repeat this process until you have traced the entire star.

BEAR BREATH

Imagine that you are a sleeping bear hibernating for winter. You are warm, cozy, and at peace. Take a deep breath in like a snoozing bear. Release that breath out as you imagine yourself hibernating in your safe cave with your family.

HEART BREATH

Place your hands over your heart and close your eyes. Think of a happy place and imagine that you are there. Feel your chest rise and fall with each inhale and exhale. Find your peace.
